Job Active

Jobactive employment providers help find you the right staff at no cost to your business. www.jobactive.gov.au

Business, Industry and Regional Outreach Officers

In addition to providing general information on Australia's Regional and Skilled Migration Program, these officers also seek and receive feedback regarding skill shortages impacting operations and/or regions and offer visa solutions to assist stakeholders to address these shortages. www.immi.homeaffairs.gov.au/visas/working-in-australia/regional-migration

Understanding Intellectual Property (IP)

Free preliminary IP consultations

To talk to an expert about patents, trademarks, designs or copyrights take advantage of the free consultations offered by visiting patent and trade mark attorneys. These preliminary consultations are confidential and without obligation. www.business.tas.gov.au/starting/ip_protection

IP Australia

The go-to place for understanding your intellectual property rights, for patents, trademarks, designs and plant breeders' rights. Use the services tool to apply, register, renew and pay for IP rights. www.ipaustralia.gov.au

Exporting

Austrade's TradeStart network

Has two offices in Tasmania, (Hobart and Launceston) serviced by the Tasmanian Chamber of Commerce & Industry and the Department of State Growth. The TradeStart network is an extension of Austrade's own offices supporting Australian exporters to enter and succeed in international markets. www.austrade.gov.au/australian/how-austrade-can-help/trade-services/tradestart/About-TradeStart

Export Finance Australia (EFA)

EFA is Australia's export credit agency and provides businesses with access to finance products to help enter international markets. www.exportfinance.gov.au

Tasmanian Freight Equalisation Scheme

This Scheme reduces the cost of transporting eligible goods by sea between Tasmania and mainland Australia. www.humanservices.gov.au/organisations/business/services/centrelink/tasmanian-freight-equalisation-scheme

Trade Strategy

The Trade Strategy delivers four key priorities 1) Build trade in key sectors 2) Showcase Tasmania in priority markets 3) Support Logistics and Market Access 4) Build export capability of Tasmanian businesses. Key initiatives include sector-specific trade events and visits, promotional materials, coordinated missions and delegations, a Logistics Advisory Service and Market Access Coordinator, Accelerating Trade Grant Program, trade events calendar, workshops and an online toolkit. Keep up to date on what's on offer at www.trade.tas.gov.au

Selling to Government

Tendering for Government Business

Attend workshops on how to prepare government tenders, register to be advised of when the government has a tender and download the Tendering Handbook. www.business.tas.gov.au/manage_a_business/accessing-government-tenders

Defence Market Opportunities

Department of State Growth – Defence

Significant opportunities exist for Tasmanian businesses to become suppliers to the defence sector. The Tasmanian government is working side-by-side with local companies to expand our presence across Australia and the world as a recognised and trusted defence supplier. Support and assistance programs are available at www.stategrowth.tas.gov.au/business/sectors/defence

Centre for Defence Industry Capability (CDIC)

Provides support for Australian businesses entering or working in the defence industry. Advisers help businesses navigate the defence market, provide specialist advice on improving competitiveness and accessing global markets, and facilitate connections with other businesses and Defence. www.business.gov.au/centre-for-defence-industry-capability
