

# ATTENDING AN ANZAC DAY SERVICE?

Anzac Day commemorations are going ahead this year, but we still need to keep up our COVID-safe behaviours. Ways to remember the service and sacrifice of Australians past and present include:

- watching the national Dawn Service and National Ceremony online and on television
- honouring our veterans with a moment of reflection at home at 6am and throughout the day
- attending a traditional Dawn Service or Commemorative Service (don't forget to check local restrictions first)

For more information about services in your area, visit the RSL Tasmania website: [www.rsltas.org.au](http://www.rsltas.org.au)
